

Hello Reps!

As we move into 4th quarter, we want to highlight our fantastic game selection here at Chronicle Books. We have a little something for everyone, from **Playing Cards**, to **Bingo**, to **Donner Dinner Party**! All of these make fantastic gifts for any game lover out there and are a great addition for your stores.

I want to give a particular shout-out to **Donner Dinner Party**, which released earlier this season. We've been getting great feedback to this game from a variety of gaming blogs, **Comic Con**, and the game nights we've hosted. People have a ton of fun playing this, and it's a perfect game to bring to your next game night. I encourage all of you to check out the first publicity hit below from **The Dice Tower** (also linked [HERE](#)) to view a video of game play that they have recorded. **Donner Dinner Party** is a true hand-sell item, and this video will give you some great tips to use with your customers. Don't forget to have this one in your sample kit to show your customers the great art and packaging!

Game Highlight: *Donner Dinner Party*

Who's safe when there are cannibals hiding among you? That's the question at the heart of this fast-paced game of social deduction in which cannibals and pioneers face off in a fight for survival. Set in the winter of 1846, players are members of the ill-fated Donner Party wagon train, stranded atop a mountain with no food. Who will avoid becoming tonight's dinner and make it off the mountain alive? And who are the suspicious scoundrels hungry for human flesh? Rowdy, outrageous, and full of playful deception, this party game packs a delightfully wicked twist!
